

Petition To oppose the parole of inmate Curtis J Brownell C83534

This inmate has been incarcerated for only 30 years for the kidnapping, rape and murder of one young girl and the kidnapping, rape and attempted murder of a young mother-to-be. Please help us by letting the parole board know that you oppose allowing this man back into the community where he can potentially kidnap, rape and murder again. Because of his long prior history of violent sexual offenses and his escalating behavior we believe he will re-offend if returned to the community.

Crimes(Sentence): Murder (100-300yrs); Aggravated Kidnapping (30-90yrs); Rape (30-90yrs); Rape (50-150yrs); Aggravated Kidnapping (50-150yrs); Armed Robbery (50-150yrs); Armed Violence (50-150yrs); Attempted Murder (50-150yrs)

Attention State of Illinois Prisoner Review Board

We the undersigned oppose the parole of inmate Curtis J Brownell C83534
