PETITION ON BEHALF OF BRADLEY BEROGAN

We, the undersigned, request that Dr. Dennis Thompson, Rockford School Superintendent reverse his decision to deny an authentic High School Diploma to murder victim Bradley Berogan. We further expect that the authentic diploma for Bradley Berogan be provided to his family**.** If Dr. Thompson will not act to restore a full diploma to Bradley and his family, the School Board must act to exercise their authority over Dr. Thompson in this matter. It is completely unfair to hold Bradley responsible for grades following his murder. Any other evaluation is unacceptable.
